- Preparation of **Work Standards, Inspection Standard, Layout Inspection Standard, Work Instruction, Gauge Standard** etc.
- Preparation **Cp & Cpk** Values of **Critical Parameters**.
- Update and maintain documents.
- Take **corrective and preventive action** against customer complaints through **8D principle**.
- Responsible for rejection & rework analysis, decide countermeasure.
- Defect analysis and implementation of countermeasure & monitoring the quality of product.
- Attain quality meeting and find out **root cause & take action** to reduce in-house rejections by planning for implementation of statistical techniques.
- Ensuring non-conforming products are identified and placed on restriction.
- Generation of Monthly Quality Report & amendment in to the current strategies for improvements.
- Identifying and rectifying Quality Problems.
- Achieved rejection control by implementing problem solving 7QC Tools

Vishal Industry as a Quality Engineer

Sep'17 to May'19

Role:

- Inspection of **MIG, PROJECTION** and **Silver Brazing WELDING**
- Development new parts and Improvement.
- Monitored rejection operations; conducted internal rejection analysis.
- Maintaining **control chart** for **critical Dimension**.
- Check the process and product parameter.
- Performing the internal rejection analysis
- Ensuring non-conforming products are identified and placed on restriction.
- Responsible for customer complaint feedback and analysis and corrective action report for internal defects.
- Active in **Participation of New Product Development and Improvement**
- Responsible Rework Analysis & decide countermeasure.
- 5S audit and ranking.
- Product lay out inspection.
- Monthly rejection **ppm analysis**.
- Critical parameter **Cp & Cpk** study & monitoring monthly.

MATE. As a DET

July' 15 to July'17

Role:

- Inspection of Moulding parts visually.
- Mazer customer of Motherson Automotive Technologies and Engineering - Toyota, Jeep, Continental, Tata etc.

INSTRUMENT HANDLING:

- Rockwell Hardness Tester, Roughness Tester & Profile Projector, Plating Thickness Tester.
- Height Gauge, Vernier Calliper, Micrometre & Bevel Protector.

HIGHLIGHTS:

- Bagged 5S Award in 2016
- Reduction of customer complaint by using 8D principle.

EDUCATION

2015	Diploma in Mechanical (Automobile) Engineering from BTE UP with 72.59%.
2011	12 th from UP Board with 56.4%.
2009	10 th from UP Board with 65.66%.

TRAINING

- 1 day training of welding & welding test method.
- 1 day Training of **APQP & PPAP**.
